Z&T GLOBAL TRADING

Connecting Businesses Worldwide

Your Trusted Partner in Global Trade

QUALITY • TRUST • RELIABILITY

About Us

Z&T Global Trading is dedicated to building strong business relationships through quality-focused sourcing, reliable service and professional trading solutions.

We aim to connect businesses with global opportunities while maintaining transparency, trust and long-term partnerships.

Our Mission

To deliver dependable trading solutions that support business growth and customer satisfaction.

Our Vision

To establish lasting global partnerships through integrity, quality and excellence.

Rice Collection

Basmati Rice

Long-grain rice known for its distinctive aroma, elegant appearance and fluffy texture when cooked. Suitable for domestic and international food markets.

Non-Basmati Rice

A versatile rice category offering options for everyday consumption, wholesale distribution and commercial food requirements.

Premium Long Grain Rice

Selected long-grain rice for buyers seeking attractive grain appearance and consistent cooking performance.

Parboiled Rice

Processed rice valued for its distinctive grain characteristics and suitability for large-scale food distribution.

Sona Masoori Rice

A versatile rice category offering options for everyday consumption, wholesale distribution and commercial food requirements.

Dry Fruits & Spices

Makhana (Fox Nuts)

Available size and selection categories shown on your website:

- 19–25 mm (6 Sutta) — Large-size selection
- 15–19 mm (5 Sutta) — Medium-large selection
- 12–24 mm (4 Sutta) — Website-listed size; confirm the correct range
- 12 mm (3 Sutta) — Smaller-size selection
- Handpicked Makhana — Carefully selected product category

Final sizing, grading and packaging specifications should be confirmed with the supplier.

Spices & Seasonings

Red Chilli Powder

Adds colour, heat and flavour to a wide range of culinary preparations.

Turmeric Powder

A widely used spice valued for its characteristic golden-yellow colour and earthy flavour.

Coriander Powder

Offers a mild, aromatic flavour for seasoning, spice blends and food manufacturing.

Cumin Powder

Delivers a warm, earthy flavour widely used in traditional cuisines and commercial food preparation.

Garam Masala

An aromatic spice blend designed to enhance the flavour and aroma of diverse dishes.
